ABOUT THE UNIVERSITY

Uttar Pradesh Pandit Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidyalaya Evam Go-Anusandhan Sansthan (DUVASU), Mathura was established by Government of Uttar Pradesh through the Act No. 27 of 2001 on October 25, 2001, by carving out all the units of College of Veterinary Science and Animal Husbandry from C.S. Azad University of Agriculture & Technology, Kanpur. The College of Veterinary Science and Animal Husbandry, Mathura became its first constituent college. The parent institution of this University had the distinction of being the first Veterinary College set up in independent India in 1947. It was the first Veterinary College in Asia to start with degree programme in Veterinary Science and to start
M.V.Sc/M.Sc degree programmes in various disciplines of Veterinary and Animal Sciences in 1951 and the Ph.D. degree programmes in 1953.

DUVASU has been named after a great visionary and statesman - Pt. Deen Dayal Upadhyay, whose native place is in close proximity to Mathura who propounded the philosophy of “Integrated Humanism”. He emphasized that the modern advances in science and technology should be oriented to uplift the economy of rural India and farming community. He was a connoisseur of traditional wisdom of Indian thinkers and a great supporter of natural resource management in crop and animal husbandry.

The mandate of the University is to (a) impart quality education in Veterinary and allied sciences (b) undertake need-based and basic research and (c) provide extension services to disseminate the research findings and knowledge to farmers and livestock owners.

The University, spread over an area of 782.34 acres, is located in Mathura Cantt and is about 5 km from Mathura Railway Junction and 3.5 km from Roadways bus stand. The main campus appears impressive with the buildings of College of Veterinary Science & Animal Husbandry, College of Biotechnology, College of Fisheries Science, College of Livestock Products Technology, College of Dairy Technology, Institute of Para - Veterinary Sciences, Krishi Vigyan Kendra, University Library, Kisan Bhawan, Referral Super-speciality Veterinary Hospital (Kothari Hospital), health centre, three guest houses, eight hostels, gymnasium, helipad, residential colonies, herbal garden, street lighting, water supply, primary school, bank, bank ATMs and post office. In addition, the University, on its own campus, has Livestock Farm Complex (LFC) with more than 650 indigenous cows, Murrah and Nili Ravi buffaloes, and the poultry farm with more than 3000 birds, Go - Anusandhan Sansthan, horse stable with riding field, goat unit and agriculture farm. The other agriculture farm of approximately 1400 acres is located at Madhuri Kund on Govardhan road about 30 km from the main campus.

Being located in “Braj”, an area where cattle, symbolized by cow, are held in high esteem, the University is unique in having special responsibilities towards promoting cow husbandry through research and technological interventions.

Placement of the University alumni is a gold standard bench mark of the successful performance of any university. DUVASU has manifested its superiority by way of almost 100 per cent placement of its students in State animal husbandry departments, banks, private sectors, R&D, academic and research institutes, administrative services, remount veterinary services and paramilitary forces like BSF, ITBP etc. DUVASU has come a long way in attaining the
objectives for which it was established and is poised to touch the newer heights of performance and milestones of achievements. During the last almost one decade, students of College of Veterinary Sciences and Animal Husbandry have been doing exceeding well in All India Joint Entrance Examination for Post graduate scholarships/Junior Research Fellowship conducted by Indian Council of Agricultural Research, New Delhi.

Presently, academic programmes are going on in its two colleges, namely - College of Veterinary Science and Animal Husbandry and College of Biotechnology. In addition to the degree programmes, two diploma programmes i.e. Diploma in Livestock Extension and Diploma in Veterinary Pharmacy are also going on since 2013 in the Institute of Para veterinary Sciences.

**COLLEGE OF BIOTECHNOLOGY (Under Self-Finance Scheme)**

The College of Biotechnology was started in 2010 under self-finance scheme with the objective of imparting quality education in the field of biotechnology and undertake research in Biotechnology and allied subjects and generate competent human resource. The College has competent faculty to run the undergraduate and post graduate programmes. The College is housed in a newly constructed college building and is well equipped with the necessary facilities for teaching and research. Availability of excellent laboratory facilities and experienced faculty of College of Veterinary Science and Animal Husbandry is the added strength of the College of Biotechnology. The University has signed Memorandum of Understanding (MoU) with Central Institute for Research on Goats (CIRG), Makhdoom, Indian Veterinary Research Institute (IVRI), Izatnagar and National Dairy Research Institute (NDRI), Karnal, NRC Meat, Hyderabad and NIAH, Baghpat. These MoUs with the National institutes have further enhanced the
research and education opportunities and capabilities through their experienced faculty and laboratory facilities.

The College is offering the following academic programmes:

(i) B.Sc. (Hons.) Biotechnology / Industrial Microbiology (6 semesters)

INSTITUTE OF PARA-VETERINARY SCIENCE (Under Self-Finance Scheme)

DUVASU takes pride in having started the need-based diploma courses in Veterinary Pharmacy and Livestock Extension in the state. These diploma programmes were started with the financial support under "Rashtriya Krishi Vikas Yojna" in College of Veterinary Science & Animal Husbandry in 2013 under self-finance scheme and since then, these programmes are going on successfully. Realizing the importance of livestock resources, veterinary education has been strengthened over the years, however, in view of the limited availability of qualified veterinary graduates, it is not possible for government to make their services available in each and every village. Further veterinary doctors too require well-trained supportive staff to cater the technical services more efficiently. Veterinary Pharmacists and Livestock Extension workers are essential for efficient veterinary services which include healthcare and management of livestock including artificial insemination services at village level. They also assist in public health services and control of zoonoses, endemics and epidemics under the guidance of expert veterinary professionals.

Therefore, in view of the requirements of trained human resource in the state of U.P., DUVASU decided to establish the Institute of Para-Veterinary Sciences. Efforts are also going on to get this Institute fully-funded from Government of Uttar Pradesh so as to run the Diploma Programmes also on the similar lines as other academic programmes in College of Veterinary Science.

The Institute offers the following two academic programmes:

College of Veterinary Science & Animal Husbandry of U.P. Pandit Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidyalaya evam Go Anusandhan Sannsthan is located at:

(a) Lucknow  (b) Mathura  (c) Etawah  (d) Kanpur

The correct answer to this question is (b) Mathura. The candidate will locate question No. 55 in the answer sheet and darken the circle (b) as shown below:

If the candidate does not want to attempt any question, he/she should not mark (darken) any of the circles given against that question.

Wrong/Incorrect way of marking: If more than one circle is darkened or if the response is marked in the manner other than the required, it shall be treated as wrong way of marking the answer. A lightly, faintly or partly darkened or otherwise marked circle will be treated as wrong method of marking which will be rejected by the Optical Scanner.

Question Paper (Question booklet)

- The Question Booklet contains 200 questions serially numbered from 1 to 200. The questions shall be framed from all the subjects with equal weightage being given to all the four subjects i.e. Physics, Chemistry, Zoology and Botany.
- The OMR Answer sheet/Response sheet is inserted in each Booklet and each OMR sheet has 200 blank spaces serially numbered from 1-200 for filling the answers of respective questions. **NO ADDITIONAL OMR SHEET SHALL BE PROVIDED.** Candidates are advised to handle and fill it carefully.
- The Booklet is stapled, bound and sealed on three open sides with paper seals.
- Serial number of question Booklet & OMR Sheet is same and is to be checked by each and every candidate before answering on the OMR sheet.
• Question Booklets are in four sets i.e. A, B, C & D.
• In case of any doubt, discrepancy, misprinting, missing pages etc., the candidate must bring it to the notice of the Invigilators within the first 5 minutes and get the question booklet replaced with the booklet of the same series set (A, B, C or D) before writing the answer.
• The rough work should be done only on the question booklets. Extra blank page is provided in question booklets for this purpose. Neither will he/she be given any separate paper nor will he/she use any of his/her own paper.
• **There shall be no negative marking.**
• Use only **BLACK/BLUE BALL POINT PEN** for writing and filling the circle(s) on the OMR answer sheet.
• Please read the instructions given in the question booklet in full before attempting the questions.

### 11. Answer Sheet

The answer sheet i.e. OMR will be provided with the Test Booklet. Candidates are advised to go through it and be fully conversant with the requirement of given particulars and marking the answers so that in the examination hall they could do so without any difficulty.

**Note:-**

No query regarding filling up of the test-booklets and answer sheets by the students will be entertained in the Examination Hall. The answer sheet used will be of special type, which will be scanned on Optical Scanner. There will be two sides of the Answer Sheet. Each answer circle on the sheet corresponds to the serial number of questions given in the Test Booklet. With each column, there are four circles bearing numbers a, b, c and d which correspond to the four responses, one of which is correct or most appropriate.

### 12. Writing of Answers or Responses

There will be four alternative answers for each of the question numbering from 01 to 200. The candidate will indicate his/her response to the question by **completely darkening the appropriate circle with BLACK/BLUE BALL PEN.**

For example question No. 55 in the Test Booklet reads as below:

**College of Veterinary Science & Animal Husbandry of U.P. Pandit Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidvalaya evam Go Anusandhan Sannsthan is located at:**

(a) Lucknow  (b) Mathura  (c) Etawah  (d) Kanpur

The correct answer to this question is (b) Mathura. The candidate will locate question No. 55 in the answer sheet and darken the circle (b) as shown below:

a [ ] b [ ] c [ ] d [ ]
If the candidate does not want to attempt any question, he/she should not mark (darken) any of the circles given against that question.

The candidate must ensure that the answer sheet is not folded. He/she should not make any stray marks on it as it may discredit his/her OMR sheet during optical scanning for which the candidate would be responsible.

Wrong/Incorrect way of marking: If more than one circle is darkened or if the response is marked in the manner other than the required, it shall be treated as wrong way of marking the answer. A lightly, faintly or partly darkened or otherwise marked circle will be treated as wrong method of marking which will be rejected by the Optical Scanner.

13. Procedure to be followed in the Examination Hall:
1. Only admit card and pen are allowed in the Examination Hall.
2. Handbags, Mobile or Cell phone, pagers, pen drives, calculators, cameras, tape recorders, pen scanners or any other communication or copying devices are not allowed inside the Examination Hall/Room.
3. No candidate shall be allowed to enter the examination hall after 15 minutes of the commencement of Examination. Candidates who arrive late may be admitted to the examination hall at the discretion of the Centre Superintendents but in no case a candidate should be admitted who arrives more than 30 minutes after the commencement of the examination.
4. Before answering the questions, candidates should write their correct Roll Number both in figures and words on the Question Booklet and Roll Number, Category, Sub-category and Code of question booklet and mark proper circles on front side of OMR sheet and on second side put up their Name and Signature. Any error in this will lead to non-evaluation of the OMR sheet.
5. On the back side of the OMR sheet (answer sheet), candidate should write his/ her name and put his / her signature in the space provided as per application form and should be countersigned by the invigilator.
6. On the front side of the OMR sheet, the candidate should write Roll number, category, sub-category, question booklet code as well as fill the circles correctly and carefully. Any error in filling circles may lead to non-evaluation / wrong evaluation of OMR sheet.
7. copying down questions by candidates on admit cards or any other material will disqualify them from the examination.
8. No candidate shall be allowed to leave the examination hall/room before completion of the examination time. A candidate may be permitted to leave the hall/room only once for the
purpose of toilet use after 75 minutes of the commencement of the examination with an escort.

9. Before leaving the examination hall/room candidates must hand over the question booklet and the answer sheet (OMR) to the invigilator.

10. Smoking and use of other intoxicants are strictly prohibited in the Examination Hall.

**Method of Selection**

The admission shall be made strictly in order of merit based on the aggregate marks obtained by candidate in PDET – 2020. In case of candidates having obtained equal marks in the entrance examination, their inter-se ranking shall be determined on the basis of following:

a) The aggregate percent of marks obtained by the candidates in Intermediate/(10+2) examination.

b) The aggregate of the percent marks obtained in science subjects (physics, chemistry, Biotechnology/biology) in Intermediate/(10+2) examination.

c) In case of the candidates, who have secured equal marks in aggregate at the qualifying examinations as well as in science subjects, and even other examinations up to high school examinations, the date of birth shall be the basis i.e. the candidate senior in age would rank higher for selection.
